6 Baptized in Adjaglo, Benin

Our first Sunday in Benin was an exciting one as we were able to join the Benin Missions team in Adjaglo, Benin for service. It was Darren's first time preaching in French in many years. Five people reported being healed during service. After the church service, we all joined their two deacons a short drive away at a local lake, where 6 souls were baptized in Jesus Name!

1 Filled with Holy Ghost and 2 delivered in Hevie, Benin

For our second Sunday, we were blessed to be able to minister with the Benin Missions team in Hevie, Benin. This is a thriving church with several members attending evening Bible School here. 1 person was filled with the Holy Ghost and 2 were delivered in Jesus Name! Afterwards we all spent time at pastor Théodore's house to celebrate his 50th birthday.

Fidjrossé Church Last Sunday in their rented building

Our family was honoured to minister in Fidjrossé, a borough of Cotonou, Benin on November 18th. This was their last Sunday service in a rented building. You could feel the excitement about moving into their own building after 28 long, hard years. Thank you Pastor François.

Pastor's Seminar

Darren had the privilege of joining Missionary Benson, Bro. Denning, 20 pastors and deacons, and 12 Bible School students for a Pastor's Seminar in Adjaglo, Benin. Darren translated the messages from English into French.

Adjaglo & Fidjrossé Church Dedications

It was a pleasure to be together again with the whole Benin Missions team as well as Bro. Denning for the dedication of two new churches in Adjaglo and Fidjrossé. We danced and rejoiced with both local

congregations as we celebrated what the Lord has done in their respective communities. Later on Sunday, we heard of a lady who had been at the Fidjrossé service and could not hear anything. God miraculously healed both her ears during that service. God is great!

1 Filled with Holy Ghost and 5 Refilled in Calavi, Benin

For our last Sunday of November, we ministered in Calavi, Benin where God moved in a powerful way. 1 man was filled with the Holy Ghost and 5 people were refilled during the service. One lady testified of feeling a power she had never

felt before as hands were laid on her. To God be the glory! Thank you Frère Blaise for the invitation to be in Calavi, Benin.
