November 2018

Just a few weeks ago, I arrived back in the field after a short stay in Canada. I was so blessed to spend some quality time with dear family and friends, receive approval for upgrade to Associate Missionary status, watch God work miracles on my behalf, obtain a five-year UK visa, and connect with precious missions-minded individuals and churches across the Atlantic District. I am so grateful for every partner and supporter - it's humbling, but I love you all!

Immediately after arriving home to Scotland, we jumped into Anniversary Services, celebrating 15 years of Church of Hope being in the city of Edinburgh. Bro. Pollard from St. Catherines, Ontario was the special

speaker and we had a blast in the presence of God and in fellowship.

There's lots more to come, and I am believing God for growth in the coming new year. In Dunfermline, I have had the opportunity to meet several community members, including councillors and community leaders. I volunteered with them at the annual Kid's Christmas Party and met parents and children of Townhill Primary School. Some recognized me as the lady from the "prayer group" and nothing could make me happier. The church ought to be recognized for our commitment to prayer, as well as to the Word of God and loving people everywhere we go!

This month, please pray that there will be more opportunities to connect with the community and that they will remember us when they need prayer.
