YEAR IN REVIEW

Austria / German Speaking Nations

It has been an amazing year across the German Speaking Nations!

AMTC

In 2018, we had 17 AMTC Bible School campuses and 305 students. During this 10 days of training, God filled 87 with the Holy Ghost, 23 were baptized in Jesus' Name, and 20 testified of miracles!

Next year, we plan to have 40 campuses across the German Speaking Nations, many of which are in new cities!

Open Doors in Austria

God has opened many new doors in the nation of Austria this year! Missionaries Bro. & Sis. Hulsman and GSN Multicultural Ministries Coordinator, Bro. Naki, have had an incredible impact in establishing connections in new cities through AMTC. This year, services have been held in Salzburg, Innsbruck, and Bregenz.

Sis. Sarah Mock (AIMer to Austria & GSN Campus Ministries Coordinator) has been working with students in the Austrian universities, and this year a campus ministry presence has been

established in the cities of Salzburg, Linz, & Krems.

GSN Youth

This year has been a very important year for the young people of the GSN.

10 received the Holy Ghost for the first time at GSN Youth Camp!

We have been having weekly Bible studies with new young people in Vienna.

This year, we saw 3 young people receive the Holy Ghost and 4 be baptized in Jesus' Name at The COA!

The Kingdomshakers (Vienna youth) took their first missions trip to help with the churches in Switzerland. They did street evangelism and ministered in several churches.

We saw 9 filled with the Holy Ghost for the very first time, and 4 notable miracles!

WHITNEY BATEMAN

Several of the Kingdomshakers were sent to preach in other cities for the very first time this year! We are so excited to watch as they grow in their ministries.

Elisha Conference

God gave vision to the GSN leadership at this year's Elisha Conference.

A local pastor's wife received the Holy Ghost!

The bishop of a large church organization in Angola came to the conference to meet with Bro. Robinette, and is desiring to have apostolic training brought to his churches in that nation!

DANKE!

Thank you to everyone for your prayers and financial support.

We are so thankful for all God has done in 2018, and look forward to an incredible 2019!
