Malorie Bovee

December 2018

December 1st-7th: I arrived back in Latvia on December 4th after being in Michigan for two months to fund-raise. During Sunday service with the Gypsy church, I testified about being back in Latvia.

December 8th-14th: Paulita arrived back in Ventspils making us a family of four once again!

December 15th-21st: We were able to join a local Pastor and hand out Christmas presents and talk about Jesus to two different schools. We also spent the Sunday in Riga for our celebration service where I testified about God's Promises.

December 22nd-28th: As this was our first Christmas away from all of our families, we decided to make the best of it. We made hot chocolate, made some crafts, and played games. I am so thankful to have spent this time with them.

December 29th-31st: We spent the New Year in Riga with the AIMer's there. We watched fireworks, ate yummy food, played games and laughed the whole night.
