

DRIGGERS- A.M. TO SPAIN

Thy Kingdom Come...

We pray you had a blessed Christmas and are having a blessed New Year.

- In the beginning of the month, we attended the national conference for leaders in Madrid. It was a time of unity, anointing, teaching, and growth. We enjoyed serving alongside the office staff and missions team in Madrid to prepare for the conference.

- The following week began extensive construction on the current church offices in Barcelona. This process will likely take a couple months, and it should be finished in time to start construction on the new building!
- We said goodbye for now to fellow aimer, Alexis, as her 3 month AIM term ended in December. We enjoyed working with her in Spain!

- We enjoyed end of the year fellowship with ministers as well as the home group in El Prat. We are so blessed to serve with great people.

We end the year thankful that throughout Spain in 2018:

- 1184 were baptized
- 1034 were Spirit filled
- There are 73 churches and 9016 members

Thy Will Be Done...

PRAYER REQUESTS

1. WE STILL NEED A LARGER MEETING PLACE IN EL PRAT TO HOLD SERVICES
2. FOR SAFETY FOR THOSE WORKING CONSTRUCTION IN THE CURRENT CHURCH BUILDING
3. FOR CONTINUED FINANCIAL BLESSINGS FOR THE CHURCH IN BARCELONA

December has perhaps been the busiest, yet one of the most exciting months here in 2018. CONALID, the national leadership conference in Madrid, was amazing. There was powerful teaching on essential doctrines, and a wonderful empowering move of the Holy Ghost. A sweet spirit of unity came over all those present at the conference, and it was very clear that the Lord has great things in store for the work here in 2019.

Locally, the church in Barcelona is moving full steam ahead. We are currently in the midst of a major building program with construction of the current building,

and the new building to follow shortly thereafter. The plan is for the current location to become a daughter work, since it is in the very heart of Barcelona, with the majority of the congregation moving to the new, larger building in a different neighborhood.

The work in El Prat is advancing as we look for a place to hold Sunday Services. We are seeing visitors and the group touched by the presence of God as they testify of healing and provision.

God bless,

- Jared and Jeanna Driggers
