NEWS FROM PARAGUAY
December 2018

SERVING OTHERS

Along with the Central Church's Mercy Team & Youth Group, we served at a foundation for children fighting Leukemia. As well as spreading joy to these children through Christmas gift donations and skits and songs by the youth, we were able to share the Gospel to both these precious kids and the nurses on staff!

PRAISE REPORTS:

- In Itaguá, 3 people who came to service in pain were healed while at the altar! One received the Holy Ghost for the first time and several others were refilled!
- In Lambaré, one was filled with the Holy Ghost for the first time during our Christmas Sunday Service. Several first time visitors were also in attendance.

GROWTH UPDATES:

A new church plant is officially established in Caaguazú after 7 years of labor by Pastor Joey Bir. Last week, Cristhian Barreiro moved his family from Buenos Aires to come and pastor this new work, and we met him there to show him the newly completed building. He immediately began weeping and praying for revival upon seeing the building.

PROJECT UPDATES:

- The new church campgrounds is still a working project. We worked on completing one of the guest homes this month. The Nat'l Youth Dept will be having their youth camp there in Febuary!
- The New Heights K-12 School completed its school year with over 500 in attendance at the 2-day Clousura!

CHRISTMAS

IS A TIME TO SHARE THE GOSPEL

Greetings!

We are excited as we wrap up our first full month here in Paraguay! We've been staying busy to say the least, and we're even more excited about what God is going to do in 2019 in this great country! Pastor Joey Bir and I have been working on getting the Bible School ready for the kickoff of the new year. We expect to see several new attendees this year! The Lambaré Central Church has been having some great services this holiday season with several special programs going on - all with packed out attendance! Additionally, the New Heights Christian school just completed its school year with over 500 in attendance at the Clousura. This is incredible because the majority of those in attendance are not associated with the church so this has opened up doors for us to be able to connect more closely with these youth and their families. I had a chance to work on the campgrounds as we develop it for future camp meetings and national retreats. The Bible School is also currently in expansion as we add a second floor with additional class rooms. Finally, our new church launch in Caaguazú is official! The new pastor showed up with his Search For Truth Bible Study that had clearly been used a lot. He is already beginning to connect and establish bible studies in this new town with excitement and a heavy burden! I had a chance to visit and minister at one of our churches in a nearby town where we had multiple reported healings and several filled and refilled with the Holy Ghost! **A CURRENT NEED** that we have is additional funds for the Bible School expansion (approximately \$7,000). Thank you for your continued prayers and support for the revival in Paraguay. We love and appreciate you all. God bless!
