

Reaching the Baltics

Greetings Friends and Family!

Happy New Year! The close of a year brings the beginning of another exciting year here in Tallinn, Estonia! I would like to take a moment in the midst of the New Year to thank each of you for your continued Prayer and Support! This year we are asking God for BIG things in Estonia! He has already been so faithful and I am excited to share just a bit of what He has been doing!

This month we continued our Campus Ministry on the Tallinn University Campus! We had the opportunity to teach Bible Studies and share God's word. One student has asked to be baptized and we look forward to what God has in store for her! We also attended a worship night at a local Christian church where we made many connections and where we hope to continue building friendships!

This month in English Class we focused on Spanish and English conversation! Each week we challenge each other to retain words and phrases in another language. We are looking forward to next month when we will be meeting in our good friend Mitca and Jahaziel's apartment to have Spanish conversation and worship with our Spanish speaking connections! Special thanks to our American friend and current IBC student, Matthew Wright, for joining us and teaching class while he visited Tallinn for the holiday!

Tartu is a city in Eastern Estonia known for its University. Every two weeks we travel with Bro. Turner to minister at the local daughter work there. This month we had a great group of believers gather and saw God touch the lives of His people! We have seen many new faces and we continue to celebrate the baptism of a University student just last month!

This month Gabi and I continued teaching our Sunday School class once every two weeks. We learned about the Christmas Story and the significance of the Christmas Season. Each class day we are blessed with 3-8 students that speak Russian, Estonian or English. We are also blessed with wonderful translators that make the lesson easier for our Russian and Estonian speakers to understand! We are looking forward to seeing this class grow.

In December we had several friends come to enjoy the holidays in Tallinn including IBC students Matthew Wright, Ridge Maasdam and Alex Perry! We also had two visitors from France; Melanie Majdling and Clara Chadufaux. For our Christmas concert, we had friends from Tartu with us and our contact Christina came and brought her grandmother! It was so nice to see so many friends from so many areas! We also reconnected with old friends such as Svetta, whom I met on my first trip to Tallinn 5 years ago! I'm thankful for each of these friends and the joy they brought to us!

Praise Report!

I am so excited to share with you all that after many prayers and financial contributions, we have finally secured our very own church building that we will have access to 24/7! The need for a building for evening prayer meetings, bible studies and fellowship has only grown over the past months and we have been praying for the right door to open! God has been faithful and has provided us three large rooms in a building with a strategic location and an excess of space! Not only will we have a sanctuary and fellowship hall but we also gained a large Sunday school room that we will be able to make our own! For all those who have been praying with us for this, THANK YOU! This New Year is exciting for all of us here in Tallinn and I pray that God blesses your New Year just as much as He has ours!

Prayer

If you are willing, please join us in prayer for the following:

- Pray for Revival in the Living Waters Church here in City Centre
- Pray that God would send those who are hungry to our ministers on the Tallinn University campus
- Pray for new souls to be born again in the city of Tallinn

THANK YOU!

Thank you for your continued prayers and support throughout this journey!
We could not reach into Estonia without YOU!
