TERE! GOD IS SO GOOD!

"I will mention the lovingkindnesses of the Lord, and the praises of the Lord, according to all that the Lord hath bestowed on us, and the great goodness toward the house of Israel, which he hath bestowed on them according to his mercies, and according to the multitude of his lovingkindnesses"

Isaiah 63:7

I am excited to share with you of what God has been doing in Estonia and my life this last month! Here are some of my favorite testimonies and things that have and are happening in Estonia.

THANK YOU!

This all has been made made possible by your prayers, encouragement, and giving! It means so much to me to know that there are friends and family who are covering me with their prayers and support! I pray that God Blesses you and yours!

Celebration & Friends

Ecclesiastes 4:9-10

"Two are better than one; because they have a good reward for their labour. For if they fall, the one will lift up his fellow.."

In the last 2 weeks of this month we have had 6 people come to visit and celebrate the holidays with us! It was so nice to have company here to help with the void of being without my family for the holidays.

It was refreshing to be able to talk with and be encouraged by like-minded young people. Lifelong friends were added to my network of fellow ministers and laborers in the field. I cherish the heart felt prayers and sincere testimonies that were shared.

Ministry and open doors

1 Corinthians 3:7

"So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase."

This month I have had the opportunity to fellowship and get closer to my Estonian church family and new friends. As I get to know them more, I hear their testimonies and stories; everyone's testimony is different, and it is very encouraging to see how God has and is moving in their lives.

1 Peter 3:8

"Finally, be ye all of one mind, having compassion one of another, love as brethren"

Alyssa and I have made several connections on the Tallinn University campus and have been able to meet up and get closer to several of them.

One very exciting connection we have made is with Kristinia, a girl we met through English conversation class. We were thrilled when she came to church for the first time on the Sunday of our Christmas Concert and brought her grandma with her!

Working with [Toidupank](#) to help feed the hungry with these great people was a lot of fun!

God opened a door for us to teach a bible study with this precious student. After studying the word with her she has expressed her desire to be baptized in the name of Jesus and wants to be filled with the Holy Ghost!

Every other Sunday Alyssa and I have the privilege of teaching Sunday school. It is different than what we are used to Sunday school being. Having an interpreter is still new to us but we enjoy teaching these sweet children very much!

Praise Report

PSALMS 30:5

"..weeping may endure for a night, but joy cometh in the morning."

God has blessed our church with a building! This is a huge step for the church here in Estonia and a great testimony of Gods provision! We are excited for what is transpiring and for the upcoming move of location into our own building!

Where God leads he always provides!

After a long process I have finally received my long-stay visa. I am honored to say that Alyssa and I are the first AIMers to receive visas in Estonia. The road has been pathed and in the future the process will be easier for AIMers and missionaries to come to help in Estonia!
