And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us: And if we know that he hears us, whatsoever we ask, we know that we have the petitions that we desire of him 1 John 5:14-15

Ways you can pray for the work in Andorra:

Pictured left: Us singing with our language class. Not only are we improving our language skills, but we are meeting so many wonderful people. One lady in our class told us that many of her family members in Brazil are Pentecostal and she promised us she would visit when she is not working. We are praying that we can start a bible study with her soon.

Pictured right: Three first time visitors praying in the altars. We are having new & returning visitors almost every week!

- * That a strong Apostolic church would be established in the capital city of Andorra la Vella
- * That God would send more laborers to the field, and that we can train leaders to continue the work when we have to return to the States to raise more funds later this year.
- * That the word of God will take root in the hearts of those that we've been teaching and that God would pour out his Spirit in their lives.
- * That God would open the door for more bible studies and contacts in Andorra.

We are thankful for a church in our home State that blessed us with the funds to purchase a keyboard last month. It has been a great help in creating an atmosphere of worship in our services. We are so very grateful for all of our monthly supporters that help us stay on the field. We couldn't do it without you! We also greatly appreciate all of the one time gifts that come our way! We are renting a meeting space for our weekly services that was not in our original budget, so these gifts are a big help towards these additional expenses. Together with the help of the Lord, we can make an impact in the Nation of Andorra!
