# Our Time in the USA

For the past four months we have been traveling in America raising funds as Associate Missionaries to return to Madagascar! We were so blessed during our time in the States. Thank you so much for your prayers as we deputized. Within our four months back "home" we were able to travel in North Carolina and Texas visiting churches and sharing about what God is doing in Madagascar. David and I were thankful to spend the holidays with our families, blessed to attend BOTT 2019, and COMPLETELY raise our budget!!! A huge THANK YOU to all those who supported us and prayed for us!!

# Back in Madagascar!

On February 6, 2019 we landed in Madagascar! We ask for your prayers as we settle back in, start language classes, and work along side the national leaders to reach the lost here in Madagascar!
