THE PARAGUAY PAPERS
January 2019

Revival in the Land!

We had the opportunity to visit and minister in some of our churches in both Asunción and Villa Hayes this month. In both locations, there were many visitors, many filled with the Holy Ghost and many who reported receiving healings! Additionally, our children's ministry did an outreach day in Lambaré resulting in many first-time visitors to the kids service.

PRAISE REPORTS:

- In Villa Hayes, 5 received the HG for the first time while 6 others prayed back through!
- In Lambaré, 4 have received the HG for the first time.
- 28 children prayed through with the infilling of the Holy Ghost during this month's national kids camp!

GROWTH UPDATES:

We launched our 2019 cell group plan this month with 5 locations in the Asunción metro area. We have had great attendance in these this month. The photo above is from one of our groups with over 20 in attendance. While visiting one of our locations, we had a chance to witness and pray for a neighbor who is suffering from a terminal illness. He is now visiting our neighboring cell group.

NATIONAL UPDATES:

- The Na'tl Kids camp took place this month with great attendance! Our Na'tl Youth Camp will be hosted at our new campgrounds next month!
- Both our New Heights & National Bible Schools are gearing up to kick off their new year next month!
- Our General Board met this month and licensed several new ministers in the work!

It's Summertime

Below the Equator!

Happy New Year!

I know it's strange to say, but it's summertime in South America! And with it comes summer camps! The Paraguayan Kids Camp was this month with 28 children receiving the Holy Ghost for the very first time! Next week, our national youth department will convene at the Paraguayan Campgrounds for youth camp and we are expecting a great turnout and a tremendous move of God! January has been a month of preparation for the launch of the new school year and also a month of continued revival for both the local and national works! Several new ministers accepted the call and were licensed by our general board this month! The laborers are needed because we are already seeing the effects of a great awakening here in the country! I had the privilege of being with Pastors Gustavo and René in Villa Hayes and Asuncion respectively. In both visits, God moved in a mighty way. We have had several first time visitors in attendance this month as well in the central work here in Lambaré, and we are expecting for this momentum to continue in an even greater way in February! Our cell groups kicked off this month with 5 locations. We are already full in many of them and are working to multiply the locations. Our goal is to have at least 2 new locations by next quarter in operation. The Bible School building expansion should be completed by end of next month or middle of March. This is going to allow us more space for more training and teaching! Please continue to keep us and the work here in Paraguay in your prayers. We greatly appreciate all of your thoughts, prayers and support. God bless!

Jonathan & Christina Greer (And Judah & Micah)

Important Upcoming February Dates: 7-10: Na'tl Youth Camp // 11-16: Bible School & Extensions Kickoff // 16: Na'tl Day of Prayer (Women's Ministry)
