

Winter Highlights

Cambridge/Lakenheath

It was an honor to be in Cambridge for Ourpour, a UK missions event in a city that needs a UPC work. It was a music outreach and I had the opportunity to take part in singing and speaking at the event. While there, I ministered at Liberty Worship Centre in Lakenheath. God moved greatly and touched many lives!

Los Pentecostales de Londres

The Pentecostals of London are running an excellent part-time Bible college for their local church. I had the privilege of teaching sessions on missions and altar work as well as preaching their Bible school service for December. During the altar work session, students began praying for their classmates and several testified of physical healings! While preaching there the next Sunday, we saw the Lord minister and great response to the Word of God.

Christmas

Over Christmas break, I was blessed with the opportunity to visit my family and minister in churches in Oklahoma. I'm very thankful for the supportive family and church family that is praying and financially supporting me in the work God has called me to do in Scotland!

Student Revival

HBC had a great start to the new year with Student Revival! This year we had Allan and Carla Calhoun with us guest teaching as well as preaching our revival. The students and staff were greatly blessed by their ministry.

Inverurie

Some of the students and I traveled to Inverurie to be in service with the local church. The students ministered in music and prayer. They did an excellent job! It is always great to see how they are being used in their ministries!

Thank you!

Thank you for your faithful prayer and monthly support! Your sacrifice is equipping the next generation for ministry as well as evangelizing the U.K.! Your prayers are needed as ministry continues to take place through HBC in Scotland and throughout Europe.
