## Month One

January 2019,  
My adventures in Greece begin. My heart raced with excitement as I stepped off the plane, this is for real. I can't believe I'm going to be living here for 3 months. As the Morenos greeted me with open arms I couldn't help but feel thrilled to be with them. Throughout this month I have been involved in many different ways. I am currently leading the choir for their National Conference coming up in March. I have also been assisting Sis. Moreno with the youth group, as well as helping with homeschool. God is doing great things, so far I have been able to witness 5 people filled with the Holy Ghost and 2 baptized in Jesus Name! I've enjoyed meeting many different people and the adventure has just begun.

God places people in the right place at the right time. What could've been a unfortunate situation turned into a God moment. I lost my wallet and this lovely lady pictured above found it. While talking with her we were able to witness and we noticed tears in her eyes. We invited her to church and are believe this is the beginning of something great!
