## Global Campus Ministry

### OUR GOD IS THE GOD THAT CAN MAKE THE IMPOSSIBLE - POSSIBLE!

In January, after many months of prayer, the Austrian Government has granted me, **not just a visa, but residency!** This is the very first time the Lord has opened the doors for an AIMER to receive a visa here in Austria! The Lord is our protector and provider! From my heart, thank you to every one of you that has prayed for this divine miracle! Where God guides, He will provide! I hope that you would rejoice with me and pray that the Lord will continue to grant us favor as other AIMers and missionaries that come to Austria that they will be blessed in the same way!

In February, *The Pentecostals of Geneva* pastored by **Pastor Samuel Ackah**, had their first prayer walk and started Bible Studies on 2 universities in and around Geneva. One of the students that is helping lead the Campus Ministry at Cesar Ritz College is a converted Muslim from Turkey. Who, while interning at the hotel where Pastor Ackah has church, became interested in their worship and wanted to attend. Now she is on fire to tell others about the Apostolic message! After we finished prayer waking a student came up and asked us to pray for her. She said that her cancer has returned and believes God can heal her! We binded together and prayed for her healing! We rejoice with how God is bringing people from all backgrounds and from all walks of life to Him! There is truly nothing better than telling others about our experience when we have been baptized in Jesus name and filled with His Spirit!

In January the GSN had its first Hyphen Retreat in Salzburg, Austria! We had **Bro Buckland** and his family from Prague, minister to the 18-30 year olds in the German Speaking Nations. We had incredible moves of the Lord! This all came to pass through the vision of our incredible **GSN Hyphen Directors!**

My sincerest thank you to every PIM, Prayer Partner and Sponsor who is helping grow the work of Global Campus Ministry in the GSN!

In His Service,  
Sis . Sarah Mock

The COA is a church that sends! COA's young ministers have been making their way all throughout the German Speaking Nations. The Lord is using them in greater capacities as the day of the Lord is drawing closer!
