December 2018

A scene from the Sunday School Christmas play.

The last month of 2018 was a time of excitement and hope. At Church of Hope in Edinburgh, we were busy with the Christmas events and on our December 31 Watchnight service, two people made the decision to be baptized in Jesus name for the remission of their sins!

Two souls started the New Year by having their sins washed away!

On the coast of the Fife region, I have begun a home Bible Study with a lady who has been asking questions of her

Church elders. Since they have not been able to answer, she has asked me to come and help her understand the Bible. Please pray that her heart would be open to not only understand, but obey, the Scriptures.

Our Dunfermline prayer walk team this month. We walked through the streets in the city center, seeking direction and claiming the territory in the name of Jesus Christ.
