### Regional & National Meetings

There was a regional meeting in Barcelona with over 40 ministers present. This was my first meeting in our new region, and it was a great opportunity to meet and fellowship with ministers from the Northeast. There was a great spirit of unity as we elected officials & discussed plans that will help further revival across Spain.

Spain had its first National Conference for pastors' wives. We are thankful for the vision of Missionary, Tanya Harrod to make this happen. We were blessed by the ministry of Bro. & Sis. Shatwell. It was a tremendous time of refreshing and encouragement for the pastors' wives who labor along side their husbands to see revival in their cities and churches.

### Baptized in the Name of Jesus

We are thankful for another soul baptized in the name of Jesus in Andorra!

We were also excited to have a Brazilian friend from our Spanish class come to church with us last week!

We continue to pray and plant the seed in this new field, and we are seeing God do a work!

**Thank you for giving and praying for the Nations of Spain and Andorra. You are making a global impact!**
