February 2019

February 1st-7th: The first week of February we baptized a young man in the Baltic Sea the morning after he received the gift of the Holy Spirit!

February 8th-14th: We were able to visit the sea and Staldzene with our friend who recently bought a car! So we didn't have to walk or take the bus.. Yay!

February 15th-21st: My week was full of activities. We teach regular bible studies, and hold a weekly House Church service. We went to a basketball game and had some of our friends over for game night!

February 22nd-28th: We had a Celebration Service in Riga and enjoyed bringing along a few of our disciples from Ventspils.

We baptized a young lady in the name of Jesus in the Baltic Sea on a beautiful Thursday morning!

## Prayer requests: February

- Pray for our team and that we would stay healthy as we head into Spring.
- ◆ Pray that God would lead us to the souls who are searching and hungry for Him.
- ◆ Pray that we can find somewhere to baptize people until Summer comes.
