Poured Out Upon ALL Flesh!

In the photo below, we baptized a young man by the name of Ismael. He is a part of a large group of workers from the Dominican Republic who are here to work on the US Embassy for a few years. He has been bringing other Dominicans to service with him as well. This opened a door for us to start a bible study in the compound where there are dozens more from the DR! Keep this group of men in your prayers that God does something great with them!

PRAISE REPORTS:

- In our Lambaré church, we baptized 2, and saw 5 filled with the Holy Ghost this month. Many more were re-filled!
- In our National Youth Camp, 19 were filled with the baptism of the Holy Ghost. Additionally, we baptized 14 in water in the Name of Jesus! We had nearly 200 in attendance!

NATIONAL UPDATES:

- Our national bible school kicked off this month with over 60 students including in our extensions.
- The New Heights Christian School also launched this month with over 300 students k-12. The vast majority are not from apostolic families.
- A new church building project is underway in Trinidad!

Praise the Lord!

February has been a great month filled with God doing incredible things. Our National Youth Camp was a success with nearly 200 in attendance. In addition to the 19 who received the Holy Ghost, we baptized 14 on site. This was the first time we've baptized on site during the youth camp in Paraguay. In Lambare, we are adding cell groups in 2 new neighborhoods. Additionally, a large group of workers from the Dominican, who have come to work on the embassy, have moved into a compound up the road from our church. We have already baptized one and many others have started visiting our services. We are working on getting a group bible study in the compound and believing this is an open door God has sent us. Last week, Bro. Bir and I traveled to the exterior region of the country to visit with the leader of a group of independent churches that exceed 100 locations and 4,000 members. This group already believes in the gospel of Acts 2:38. We are praying and working toward bringing this group into the UPC organization. Bro. Bir has already written about this in one of his previous letters, so please continue to keep this group in your prayers that we are able to bring them into the fellowship. We are looking forward to March and what God will continue to do in the work here. We have our National Conference at the end of March, so please pray for a mighty outpouring of God's spirit. Thank you for your continued prayer and support for the work in Paraguay!

God bless,
