

February Highlights

PERTH

We are very excited about what is happening in Perth, Scotland! This city has been in need of an Apostolic church and has been a target city for many years. Sis. Janett Mendez is a graduate of Harvest Bible College and is now on location planting that church! In February she held the first preview service with 6 guests in attendance. HBC staff and students were in attendance to support and minister in the service. Please pray for Sis. Janett and the city of Perth. You can keep up with her work here <https://www.sinfronteras.co.uk/>

Super Sunday

HBC students recently organized a Super Sunday children's event in Glasgow. The students did an excellent job writing and preparing for the special Sunday. The

children were very engaged, and the students were excellent in their parts. At the conclusion of the service, one child was filled with the Holy Ghost!

Preaching Ministry

It is an honor to be part of the preaching and teaching ministry at New Life Church in Glasgow. Recently, after ministering, four people testified of instant miracles! We give God glory for what He is doing in Glasgow!

District Conference

I had the privilege of attending our Northern District Conference, which includes Scotland and Ireland. We were tremendously blessed by the ministry of Bro. Aaron Soto. It is exciting to visit with ministers from across the district and hear what God is doing in our churches!

Visa

This summer I will be returning to the States to renew my visa and raise funds for the next two years of ministry in Scotland. The cost of the visa and the airfare will be approximately \$2500. If you would like to help offset the costs of this it would be a tremendous blessing! You can give online to this project by clicking the following link:
