

Greetings from Italy in the wonderful name of Jesus Christ our Lord and Savior! February has been great month for us and God has been so good to us and has given us favor with so many people.

This last Sunday the Italian Superintendent Salvatore Arcidiacono and his wife, Sister Kathleen were with us. We had 3 visitors including Brother Italiano's Mother. We always have at least one person in our service and many others watching online. We are using technology for God's Work! Our future services will be at 5:00 pm and we expect many more visitors!

Our Superintendent preached Sunday's service and was able to spend some much-needed fellowship with us. We are blessed for such wonderful people to work with in Italy.

We were able to travel to Bari and attend Pastor Caniglia's evening service and have fellowship as well with him and his family. Unity is so important and being able to spend time with both of these wonderful and humble families has been a God send.

We continue having doors open and doors close but God is always faithful, and we always have what we need. Keep us in your prayers, God Bless each of you.

Yours in His Service,
Feliciano and Carmelina Italiano
