- First Chapel in the Lumley Church.
- Image 2 on the right hand side is almost the entire school that attends chapel, totaling around 170 children.
- The picture on the left hand side is one of our current UPC churches in Downtown, Freetown. (Foundation is arising for a new building in this location!)
- Had the privilege of capturing a picture with the missionary family I will be residing with for the year that I am here! I must say I am beyond blessed!
- Within this month we visited the Chimpanzee Sanctuary (Museum) and was mimicked by a monkey while taking a picture of it.
