

Greetings Friends and Family!

We are excited for what God is doing in the Capital City!
Thank you for being apart!

This month we enjoyed fellowship with many groups and I am thankful for new friendships and connections made! A group of University friends invited us over for an authentic Indian meal and games. We enjoyed spending time on Sundays with the college aged young people from the church and traveling out of the city for a group outing in Rakvere!

We continued English Class this month with 4 new students- three students from Tallinn University and one Estonian. They have continued to come faithfully, and we are excited to see this group grow! More connections are being made with students from Tallinn University and we continue to have bible study every Friday on Campus. I am excited to see God open doors to minister to University students!

Our new building has opened many opportunities to grow and we continue to see new visitors join us weekly. This month we celebrated Estonia's Independence Day with a concert and Sunday school for the children followed by fellowship with each other. Every service, we see God add to our number and our sanctuary slowly begin to fill! We are excited for the new heights being reached in attendance and faithfulness!

This month we continued Sunday school and have enjoyed our time with the children. Every week, the children are excited to come into their classroom and enjoy activities. This upcoming month we have an exciting new face lift for our classroom that will take us into our curriculum on the life of Joseph! With the help of the church, we are building walls and painting props! We look forward to improving the atmosphere and creating an exciting space for children to learn!

This month we traveled to Narva to minister in a home group. Narva is a city that sits right on the border between Estonia and Russia. The community is Russian speaking and the saints are very welcoming. While there, we visited monuments and the castles that border the city. It was incredible to see the work God is doing in the lives of the people there. We look forward to traveling there again next month!
