

Praise the Lord!

Every three months our discipleship classes in Macau have a time of recognition (at the completion of each booklet). Some classes have one student, and some have up to 10. As teacher's coordinator, I teach when needed and organize the time of recognition.

Every Sunday we have outreach. After our prayer walk or passing tracts we gather together to sing in the park.

Ptr Plaza was able to baptize 3 people in January!

There are times that I am able to fellowship at church member's house. This was a birthday dinner.

God bless you!
