February 2019

On February 3rd, we had "Kids Under Construction" Super Sunday (this is a special Children's Church event that all ages participate in). It was a great success, with games, singing, skits, and a short message all about how God is working on each one of us.

Our new teen classroom while almost complete.

One of our teams beginning to build a "church" on Super Sunday.

We also had our Northern District conference this month in Sunderland, England. Bro. Aaron Soto and Bro. Ramruttan were our speakers, and each service left us with a Word of God that will be remembered for years.

I am continuing to teach a home Bible Study in Leven, Fife. I was also able to realize my vision for our teen classroom and it is now a welcoming "living room" for real fellowship, and open discussion.
