AIMers TO

NAMIBIA

MARCH
2019

We have arrived! After a short stop in South Africa, we landed in Namibia on March 18th. So very excited to be here.

In the first few weeks that we have been here, we have been able to help oversee

the beginning of the building of the wall around the church property in the capital city of Windhoek.

We have also had the opportunity to visit an orphanage in the area as well minister in the church in the capital city.

We are looking forward to visiting more of the churches and Bible training centers throughout the country as well as being involved in the Namibian General Conference coming up on Easter weekend.
