MADAGASCAR REPORT

March 2019

March has been a busy and blessed month in Madagascar! Thank you so much for your prayers and support that have allowed us to fulfill the call of God on our lives! We were able to be a part of two Sunday school seminars in the capital city, attended board meetings, continued our language studies, as well as visiting church for Sundays and district meetings.

One of our greatest joys has been the opportunity to teach and invest into our Bible School Students at our central Bible School campus. We expect great things from these future pastors, evangelists, and missionaries!

We have also been working hard along side the National Youth Committee to plan for the future of CMM. We have started holding weekly meetings, and are cultivating a student led approach. We look forward to what God has in store for our universities here in Madagascar!

Prayer Requests

In the coming month our conference season will begin, we will have six conferences across the island from late April to early July. Please pray for our conferences, for safety and health as we travel, and for our healthy and safety for our guests who will be visiting for conferences.
