

# Miyako Aim Report

Greetings from Miyako,

I am pleased to report that in the month of March we have been making a lot of new contacts. While making these new contacts we have been able to sit down and eat with them and enjoy some outdoor activities with them as well. We have even been invited back to some of their homes to hang out. God has also blessed me with the opportunity to pray with a gentleman who was feeling very ill. He was very thankful for the prayer and was much better the following day. Also, those who are attending our preaching point have been giving reports of their opportunities to pray with their coworkers. We are still anticipating a great revival in the island of Miyako.

Thank you all for your continued prayers and all the hard work at HQ, God bless and have a wonderful month.

Bro. Craig
