

DRIGGERS- A.M. TO SPAIN

ASSOCIATE MISSIONARIES

We pray for an open door to speak the mystery of Christ... Colossians 4:3

Dios les bendiga!

March was a busy month with many events in the church. Great things are happening!

- We rejoice as one of the members of the church in El Prat received the Holy Ghost in service in Barcelona!
- The first National Pastors' Wives conference was held in Barcelona. It was a wonderfully refreshing time of fellowship and renewal! It was an honor to serve alongside the great missionary wives of Spain! We are thankful for the vision in Spain.
- This month we welcomed 2 new aimers to Barcelona! It is always a pleasure to work alongside the family of God.
- Jared has been teaching in the Bible Institute for several weeks. There are currently 15 students taking classes in Barcelona.

THE LORD IS DOING GREAT THINGS IN EL PRAT

One waters, another sews, but it is God that gives the increase!

In March we commenced our second month of holding services in El Prat. For the first 6 weeks, we had first-time visitors every service! We have been working diligently to maintain contact, scheduling visits, and teaching Bible Studies. We are reminded of Christ's words and believe we are to be used to fulfill His mandate when He said, "Blessed are they who hunger and thirst after righteousness, for they shall be filled." We want all who come hungry to leave filled. We are learning truthfulness in the law of the harvest. Missions is not always what it seems. Sometimes you sew in a field you know you may not see the increase. One such example is a retired lawyer/judge from El Savador named Emily who came to the group in El Prat. She was in Spain for two months looking at the possibility of bringing

her son over to finish his education here. She attended the church in El Prat and while visiting one of the services in Barcelona, received the gift of the Holy Spirit. We were able to teach her a Bible Study on baptism and the New Birth just days before she returned to El Salvador. God is continuing to open doors here to utter the gospel. We have a another lady who wants to open her home for our weekly small group meetings. We received a heart-warming gesture when the students at the Bible Institute bought a cordless microphone set for the church in El Prat. It is wonderful to experience unity in the burden of sharing the Gospel! Thank you for your continued prayers and support.

Sincerely,

Jared & Jeanna Driggers
