

Bruce Howell- Director of Global Missions  
Jim Poitras- Director of Education/AIM  
David Schwarz- Regional Director

Greetings!!!

What an exciting time to be working in the Kingdom. We returned last night from an incredible weekend in Red Bank, Belize. Last December, we were contacted by a man from this village that had been healed of kidney disease during another crusade. After approval from his pastor, Eduardo Coc, and Bro. Dwayne Abernathy, we made a quick trip to see what could be done. God began building a bridge in December and on this trip, April 4-8, He crossed that bridge and ignited a fire in Red Bank!!!! We carried a team of 7 and ministered to the whole body twice and to the ladies and children of the area. We also spent several hours ministering to the sick in their homes and witnessed miraculous things through the power of unified, faith filled prayer!

Evangelist Keith Phillips ministered Friday night, Sis. Kristal Sims ministered Saturday night (ladies) and Sunday morning (kids) and Pastor Lyndon Powell closed us out Sunday night. At least 15 received the Holy Ghost and there were many miracles, reports of healing and deliverance. God done an amazing work for local pastor, Eduardo Coc and his congregation. The door is open, and the bridge is built in Red Bank.

Thank you for allowing us to minister in Belize. It is our pleasure to represent Global Missions.

It's our privilege and His Kingdom,  
Dewayne and Kristal Sims
