Ladies of Virtue

On 15th through the 17th of this month, the church here in Marinique hosted its yearly Ladies Conference. It was a busy time working and preparing for this powerful event.

However, all the hard work preparing and decorating was well worth it, as we were able to watch God move and touch the hearts of over one hundred ladies from all over Brazil.

Rio de Janeiro

After Ladies Conference, we took a short trip to Rio. While there, enjoying the sights on Copacabana Beach, a man selling drinks came up to us. He said, that as he was walking by he could see light coming off of us and knew we were Christians and he needed to talk to us. As we talked to him, we learned he was a backslider, and as Sis. Cooper began to minister to him, he decided he wanted to be baptized in Jesus Name! When he came up from the water he was instantly filled with the gift of the Holy Ghost! Please continue to pray for Renato, that God would continue to move in his life.

Regional Sunday School Meeting

On the 23rd I was invited to go with Sis. Cooper to the Regional Sunday School Teachers Meeting. At the meeting I presented a short training session on vision and how to work together as a team to accomplish your God given vision. It is a true honor to serve alongside the Sunday School teachers of Brazil! I am excited to see what God is going to do in our region over the next few months!

This month, we also hosted a group of men from Louisiana and Texas who came to help finish out the roof on the first Jubilee Orphanage House! It is incredibly exciting to see the progress that was made. Join with us in prayer for the completion of the project, or if you'd like to contribute financially you can by going to jubileeorphanage.org/donate

Overall, this month has been an exciting and busy month. I am so thankful for all God has been doing in the church and in our city. Please join with us in prayer for continued growth and revival here in Brazil!
