

April 2019 Report

Greetings from Namibia,

We are having a great time in the country of Namibia. In the month of April, Bro. Austin was able to go with Missionary Ikerd, to the northern part of the country, to village of Oshikweyu. (It is about 8 hours from the capital of Windhoek, and only about 30km from the Angola border).

While there, we were able to visit with the ministers up there as well as the leaders of the Bible training center in that area. We were also able view the new building being built to reach the souls up

there. Currently, they are meeting under a tree.

We were also able to deliver a Sheaves for Christ motorcycle to the pastor in city of Gobabis to reach the people in his area in the eastern part of the country.

We finally closed out the month of April with Easter General Conference. We were blessed to have Bro. Randy Adams, Regional Director, as the main speaker for the meetings. Very happy to report that at least 12 were filled with the Holy Ghost. Six were baptized in the wonderful name of Jesus, as well as many healings reported during the conference.

We believe that God has great things in store for this country, and we feel blessed be here at this time, and to see the doors that He is opening to reach these wonderful people.
