PLANT & WATER

We were encouraged by a recent communique from Global Missions Director, Bro. Bruce Howell to all the missionaries. He reminded us to "Plant and Water." It's our human nature to want to see results right away. We teach a bible study one time and we want them to become faithful saints overnight! We have to remind ourselves often that it's a process of discipleship that takes time. As we work to birth a church in this new country, just like new parents, we celebrate every small victory, every cup of coffee with a new contact, every new bible study attendee, every return visitor. We know that Andorra is on the heart and mind of God and we continue to plant and water. We know that if we faint not, we will reap a harvest in due season!

We are thankful to be a part of a great missions team. We were blessed to have The Driggers, Associate Missionaries who are church planting in the Spanish city of El Prat, and also short term AImer, Jessica Graham come to Andorra for a few days. We enjoyed the fellowship, and we did some prayer walking around the capital city of Andorra la Vella as well.

On the following Sunday God moved in a powerful way. The Spirit fell on one lady who has been attending our services. She fell to the floor and began to speak in tongues. An experience she said has only happened to her one other time. We thank God for renewing her in the Holy Ghost!

We have made several new contacts recently. We are meeting weekly for coffee with Luisa, a Catalan lady. She wants to learn English and she is helping us with our Spanish. We are thankful for the friendship we are building with her and the opportunity to share our faith with her.

We were also invited to a house service in the city of El Pas de la Casa (on the border of France). The group was made up of people from Catalonia, Brazil and Portugal. They were very welcoming and inquisitive about what we believe. We look forward to meeting with them again soon. One from this group has already attended one of our services. We thank God for open doors!

Thank you so much for your prayers and support!
