

April 1st-7th: This time last year, I was finishing fundraising to come to Latvia. Now, I have the honor to stay in Ventspils and lead the city towards revival as I work with other AIMer's and the Nationals that we are discipling. If you asked me a year ago where I would be, I would never have thought I would be here. Thank God for His leading hand and constant help!

April 8th-14th: We are thankful for all of the connections we have made over the past year. There have been baptisms, people filled with the Holy Ghost, Bible studies and many deep conversations about life and God.

April 15th-21st: We have officially finished our current level of training! This was many hours of teaching and learning but we are so excited to use this to further share the Gospel.

April 22nd-30th: We have been traveling to different places to walk by the sea. When we went to Staldzene, my friend found me some sea glass. We talked and walked while looking for sea glass and sea shells.

As we walk the streets every day, you can't help but look at the faces you pass or think about every soul that is in the buildings and houses you pass. Each week we set a certain time to pray and walk the streets of Ventspils... covering the city in prayer. When God's people pray, things happen. The atmosphere is changed with prayer. Please pray with us as we prepare for Summer and new growth!

Prayer requests: April

- ◆ Pray for our Disciples and that they would continue to be hungry for God. Pray His protection over them and their minds.
- ◆ Pray as our Team in Ventspils all take the next step into our next cities.
- ◆ Pray for all of the AIMer's who are raising funds to come abroad soon. That they would be fully funded and would have a safe trip over to their destination
