

DRIGGERS- A.M. TO SPAIN

ASSOCIATE MISSIONARIES

Music Department Barcelona

Greetings! We pray this finds you well! As always, time seemed to fly by, and April was full of blessing and great things happening here in Spain.

- Jared started the month by teaching another course in the Bible Institute in Barcelona. The students blessed us with a few things to use for the church in El Prat!
- We continue services in El Prat. We have had a great move of God in our services. We can feel the spiritual walls falling! Several have claimed healing, and 2 decided to be baptized in the name of Jesus!
- We have had the opportunity to teach several Bible Studies in El Prat this month.
- We both continue to make steps with the language. Jared had his first opportunity to translate the preaching for a service in El Prat.
- Easter Sunday was a blessed day! Jeanna sang in the Easter concert in the Barcelona church. In El Prat, the owners of the location we rent joined us for service!

Being a part of the body of Christ is a blessing!

PRAYER REQUESTS

1. FOR PROTECTION AND PROVISION AS CONSTRUCTION BEGINS ON THE NEW CHURCH BUILDING IN BARCELONA
2. FINANCIAL PROVISION FOR EXPENSES OF THE NEW CHURCH PLANT IN EL PRAT
3. THAT GREAT THINGS WOULD HAPPEN IN THE SPIRIT AMONG THE PASTORS AND MINISTERS OF SPAIN DURING THE UPCOMING PASTOR'S RETREAT

We each have an amazing opportunity to serve in the Kingdom of God. It is an honor and pleasure to serve God with our abilities and talents. We know that God provides abilities and strength when He calls us to do His work. It is sometimes overlooked, though, that He provides other members of the body to do the work we cannot.

We have been acutely aware lately of how blessed we are by the help of others. The work in El Prat is new, and like a baby, it takes focus, attention, time, and energy to plant the

Word and help it grow. We are blessed with saints in the Barcelona church who will be our "taxi" to El Prat, others who will help sing, others who help pray in the altar. We are blessed by those who give financially to help pay the rent and those who pray from afar. When we give ourselves to the kingdom, we benefit from one of the greatest blessings from God, the help and support of the other members of the body! Thank you!

God Bless,
Jared & Jeanna Driggers
