CHURCH IN RIGA

God has been leading our team to people that are hungry and ready to begin a relationship with Jesus.

PRAISE REPORT

At one of the weekly home groups, we met two twin young girls.

At a Friday night youth, one of them received the baptism of the Holy Spirit!

Bible studies & Worship

Worship is a lifestyle and core to everything that we do here. It is precious to see them worship God.

We have had the opportunity of teaching bible studies to international students. God is doing amazing things!

PRAYER REQUEST

- God will open the door to share the gospel with those who we are in contact regularly
- That God will reveal himself to those who we are teaching bible studies
- Pray for our team as we minister in the streets of Riga
