

April Highlights

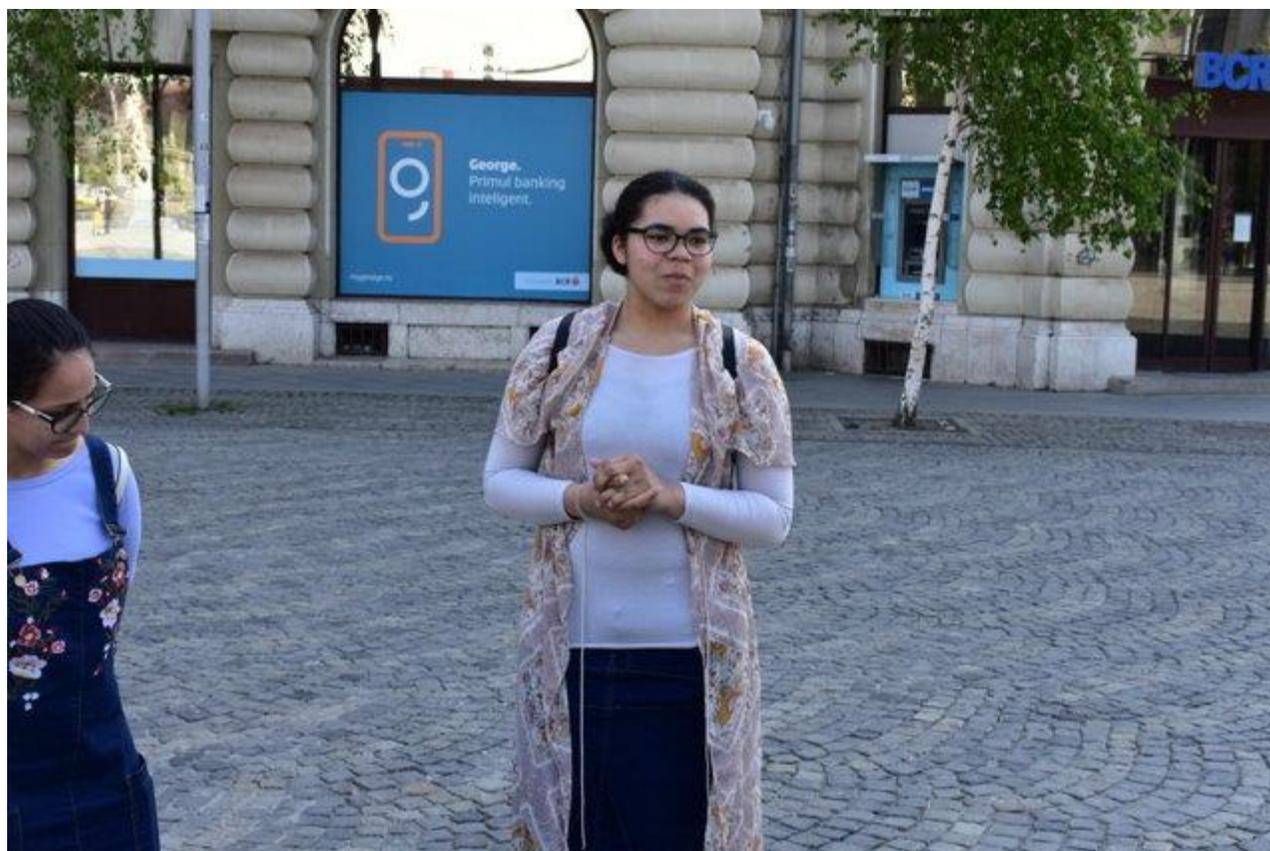

New Chapter

I'm very excited to announce that Alyssa Mullis and I are engaged! Alyssa has been AIMing in Estonia since November and has worked in the Baltics several times. We will be getting married on July 20th and deputizing in August. We will return to Scotland together for the start of the school year at HBC. We are looking forward to this next chapter in our lives!

Perth

We are excited about the great work taking place in Perth! Students are involved in the monthly service of this new church plant through hospitality, worship, and set-up. Please help us pray for revival in Perth!

Romania

HBC took their annual missions trip and this year it was to Romania! It was a special privilege to work with the Pattersons in the city of Bucharest. The students spent two days of prayer walking and evangelizing, leading up to the Easter service. Students testified, sang, and handed out leaflets. On Sunday, students were also involved in testimonies and music during the service. I had the opportunity to preach in the service and the Lord ministered greatly to the saints. We are thanking God for the work that is continuing in Romania!

Term 2

Term 2 has come to an end at HBC and we are enjoying our Easter break. We are staying busy with trips to Romania and Luxembourg during these two weeks. Please, pray for our students as they complete the final two months of school and go back to their places of ministry.

Visa

Alyssa and I greatly appreciate the support of everyone who has given to help renew our visa. You have already given \$700 to help! Recently, I met with an immigration attorney and was made aware of some changes in policy. Due to the type of visa we will have to apply for, our expenses have increased significantly. With the increase in visa expenses and the cost of travel between the UK and US, we now need to raise \$8400 this summer. This is an unexpected expense, but we know that God will provide so that we can fulfill His calling. We appreciate your prayers for provision and any support you can give to help us meet our goal.
