

For several months now, we have been having a Friday night Bible Study. We typically have 10 - 15 in attendance. In one of the last few studies, a young man received the Holy Ghost at the end of the Bible Study.

We have also been meeting monthly with about 9 local pastors and doing leadership training with them. We have found this to be an encouragement to both them and us. One of the pastors has asked that we come and teach on the Holy Ghost during the mid-week Bible Study. We have been doing this for about 3 weeks now and had 43 at Bible Study last night. Three of the pastors have asked for assistance with teaching on the Holy Ghost and for that reason, we have planned a series of lessons to be taught at the Headquarters Chapel over the summer.

March and April are a busy time for Spring Crusades in Haiti. We have had the privilege to visit and preach for several different churches during this time.

April has been working with the children from the Children's Home and having weekly devotions with a focus on character building. The kids love this, and the house parents have indicated it is making a difference their daily life as well.

The political situation in Haiti is still very fluid but seems to have cooled some from the violence we had a few weeks back or at least is not as widespread as it was then. We continue to pray that God will raise up strong Godly leaders in both the country and the church.

Sincerely,

Benji
