English Classes

This month, we were so excited to launch an English Class! I along with the

Please pray for us as teachers and for the growth of our students. Also, please

help of fellow AIMer Anthony Burke, teach a two hour class on Saturday and a one hour class on Monday nights. We consistently have over twenty students.

pray that this class can become a witnessing tool in our community.

Happy Easter

It was an incredible experience celebrating our Risen Savior on the mission field. We started our celebration with a breakfast for the church. After, we had a powerful service with a large crowd of visitors. Following service, we had a dinner on the grounds and candy hunt for the kids. It was such a special time, and I am thankful for the opportunity to have experienced Easter in a different way.

Hyphen

This month our Hyphen class had our first outing together. We drove down to Holambra, SP and spent the day exploring. It was such a fun time of fellowship, and I am excited for what God is doing in our lives. Please continue to pray for the growth of our class over the next few months!

Jesus Acamp 2019

This month, the Mairinque Church hosted Jesus Acamp, a two day event for the youth of São Paulo. It was an incredible event filled with games and competition between the four teams. The best part of the event however, was the thirty people who recieved the gift of the Holy Ghost, and the eleven who were baptized in Jesus Name!
