

DALE & BRENDA AUSTIN

AIMers TO

NAMIBIA

MAY
2019

Praise the Lord from Namibia!

God is doing a great work in the country of Namibia and we are so excited to be part of it. In the month of May, we were blessed to visit and minister in many of the churches in the outlying areas.

We started the month by traveling to the west coast where we visited and ministered in the churches in Walvis Bay and Swakopmund.

During our time on the coast, Bro. Austin spent time teaching the GATS Bible school students in the area. We also spent time fellowshiping with the local pastors and wives in the area, encouraging them in their labors. Bro. Austin spoke to the ministers and wives that were present on the importance of Spiritual Leadership. While we were in Swakopmund, we were blessed to spend time with veteran missionary, Sis. Sharon Ikerd.

The following week we traveled to the northern part of the country and visited with

those in that region. While there, we were able to teach and minister in the village of Oshikweyu and see the progress on the church building that is a shining light for those in the area. Walls are up and the roof is on the building. They are hoping to be able to put in the floor in the next year.

Our final trip of the month took us to the eastern part of the country and to the cities of Gobabis and Aranos. While in Gobabis, Bro. Austin spoke to the men about being spiritual leaders in the home. At the request of the pastor, he also spoke to the whole church on the benefits and rewards of giving to the work of God. We had a wonderful services and many lives were touched by the Hand of the Lord. We also were able to teach to those involved in the GATS program.

Our trip to the city of Aranos took us down 113 miles of gravel roads. We had a wonderful time there. On Saturday, Bro. Austin taught the men about Godly leadership in the home and then the whole church later that day on giving. God blessed in the service in a makeshift building with 17 visitors on Sunday. Following the service, Sis. Austin

spoke to the ladies on how to be women of God.

We are so excited to see the work going forward and glad that we could in a small way, be part of it.

God Bless,

Rev. Dale Austin
