

Newsletter From Japan Tricia Ball

Dear Friends:

Greetings!

This past week we were blessed to host an AYC team, and enjoyed every moment! There were 27 reported healings, 4 baptized in Jesus name, and 7 filled with the Holy Ghost! It was so powerful working alongside these young people and watching as they realized the anointing is inside of them; that they have the ability to pray for the sick and watch them be healed! That they can pray for people and see them filled with the Holy Ghost! It was encouraging to see so many young people genuinely in love with God and with His Kingdom, ready to pour love out on each other and on everyone they came in contact with. I know each one changed and left differently, but I believe several Japanese were changed just as much. Thankful for each student that came, and so thankful for an organization that provides opportunities like AYC to partner young people with the missions field.

Please enjoy the pictures below from AYC, Easter, and JUPC General Conference. Great things are happening!

Blessings,

Tricia

AYC team had several opportunities to get involved here in Okinawa- teaching Sunday school, singing at the market doing an outdoor concert, and cleaning a local beach - just to name a few! One of our children decided to get baptized after children's church last Sunday!

Had a beautiful Easter service in the park, followed by games and a picnic! A great time of fellowship with our families. We celebrated the true reason of Easter with a baptism. This is what Easter is about. A chance to start again. Fresh. Clean. Free. Thankful for a life made free through Christ's resurrection.

Powerful move of God at our JUPC General Conference! Record attendance, several healings, and four newly ordained ministers! JUPC Youth Division was also voted in and is in the process of forming! So excited for the future of the JUPC!
