BY AIMER MAVERICK BEAL

The work of the Lord is being done by a great team of workers here in the GSN. Each one of them doing their best to spread the Gospel around the world.

I want to thank every missionary and every AIMer for allowing me to become a part of what the Lord is doing here in the GSN.

Special thanks to Missionary Nathan Hulsman for allowing me to work beside him as he teaches the world about the oneness of God.
