

DRIGGERS- A.M. TO SPAIN

ASSOCIATE MISSIONARIES

God is good! The weather changed here in Barcelona in June, and the spiritual climate is changing as well! Here is a glimpse of the great things that happened in June in Spain:

- We feel more freedom and unity in our services in El Prat. Now with our home groups meeting at local parks, we are making more connections in the city.
- We rejoice as 125 people were filled with the Holy Ghost and 19 were baptized on Pentecost Sunday throughout all regions of Spain.
- In El Prat, there were 30 in attendance on Pentecost Sunday celebrating in unity! During time of fellowship after service, one visitor who suffered from back pain was healed!
- Jeanna had a wonderful time worshipping with ladies from all over Spain at National Ladies Conference in Madrid. There was a record attendance of over 700 and several miracles were reported
- We are excited to work alongside some new and repeat AIMers in Barcelona and Madrid

THE LORD DID GREAT THINGS AT NATIONAL LADIES CONFERENCE IN MADRID

PACKED HOUSE! ON PENTECOST SUNDAY WE HAD 30 IN ATTENDANCE IN EL PRAT!

WE ARE EXCITED FOR 6 ADDITIONS TO THE AIM TEAM IN BARCELONA IN JUNE

CULTURAL CORNER:

The Catalan tradition of the “human tower,” known as a “Castell” made of team members known as “Castellers,” has been a competitive tradition in many towns throughout the regions of Catalunya since 1712.

Spots on the team are passed down through families for generations. The base is made of many men and women all supporting the middle. Then the tower progresses from adults, to teenagers, then to children. The children climb up the other castellers to the top, then carefully slide back down to the base.

What We Feel Before We See...

PRAYER REQUESTS

1. THAT THE LORD WOULD HELP US IN OUR EFFORT TO SEE NEW SAINTS DISCIPLED AND ROOTED IN BIBLICAL DOCTRINE
2. FAVOR AND DIRECTION WITH THE OWNERS OF THE CURRENT BUILDING WE RENT FOR SERVICES IN EL PRAT
3. THAT THERE WOULD BE GREATER SPIRITUAL FREEDOM AND PEACE IN EL PRAT

Occasionally we get impatient. As humans, we want to SEE results, we want to SEE things happening. It's true for our physical eyes and our spiritual eyes as well. However, many times we FEEL things in the Spirit before we SEE them with our eyes. That's part of faith.

In El Prat, we are FEELING the spiritual freedom in our services. Each service we feel more liberty. We are beginning to FEEL peace as we walk the city.

Now, we are SEEING people change their lifestyles because of God. We are SEEING people healed in our services. We are SEEING divine appointments with people in the city. We are SEEING true worship. We are SEEING peace and joy on the faces of people who were once overwhelmed and sad. We know the Lord is working on greater things we can not yet see!

God Bless,
Jared & Jeanna Driggers
