

AIMERS TO ITALY
JUNE 2019 NEWSLETTER

Greetings in the wonderful name of Jesus Christ our Lord and Savior! June has been a productive month, definitely much warmer weather and more people out and about.

We celebrated Pentecost Sunday with 13 in attendance and what a wonderful presence of the Lord that we felt.

We had 3 first time visitors with us in Service and we had good questions and interaction with them after service. God is still opening doors and providing in all things great and small and we are so grateful. Our attendance is still fluctuating but we are grateful for all who come weekly. God is doing so much and He keeps us daily. Please continue to pray for God to send us key people that will open up doors that have remained closed. Keep us in prayer for strength spiritually and physically as we labor in this field. Many seeds are still being planted and watered with every question asked and every curious visitor to Services and may God give the increase. All Glory, Honor and Praise to the One who holds us in the palm of His hand, all the Victory is His.

May God Bless each of you as you sew into this ministry, thank you for all of your support in prayer and financially! In His Service for His Kingdom,

Feliciano and Carmelina Italiano
