

AIM TO GREECE

Thank you for helping me REACH GREECE!

The 15 Chairs - Kids Ministry

We have heard several great reports of children at The Crossroads having a wonderful time in Kids Church on Wednesday and Saturday nights. Many parents have come up to me personally to mention how their child and family has been impacted as a whole! We have opened a brand new nursery for all mothers and their children 2 & under. This has been a tremendous blessing to all of the mothers with little ones. This group has also grown rapidly! When I came to my first Saturday night of kids church, we set out 15 chairs for the kids not knowing how many would actually show up. We had 7 kids that night. My very last Saturday here, we had 15 kids! God is truly doing a work in the children's ministry here that is spreading to the families and community of Athens! I can't wait to see how it grows even more!

“A Glimpse of Heaven”

There’s nothing like worshipping with a group of individuals from all over the world... literally. The Crossroads UPC Athens is the home church to people from every nation except Antarctica, 20+ nations are represented, and it’s growing rapidly. Every service, I left so full of joy knowing this is what heaven would be like. We would all sing songs we knew the meaning of, maybe it would be in a language other than our own, but it was all about JESUS. We all feel the same Spirit moving and giving us that refreshing drink of living water we’ve looked forward to all week.

Spiritual disciplines in our own personal walks are important, and necessary, however, coming together as ONE body is also equally as important. **(Hebrews 10:25)** It recharges you, fills up your soul, allows you to be prayed for, to rejoice with others as they step into their

own victories, and represent Christ as a whole.

Pastor Moreno preached May 26 about the unity that we much strive for within The Church of God. A unity that brings us together, that allows us to grow together, and help strengthen the faith of others together.

It truly is an amazing feeling stepping into a church I’ve never been in before, yet being welcomed with such loving arms. I quickly became a part of the family at The Crossroads UPC Athens and I hold each and every person there dear to my heart. We may not all look the same, speak the same language, but the love for God is the same. This church truly has given me a glimpse of heaven... and “oh, what a day of rejoicing that will be...”

Ευχαριστώ πολύ / Efcharistó poly / Thank you very much!

Without **you**, this opportunity would have never taken place. I do believe God chose each of you to do a work for His kingdom by giving towards my AIM trip. Whether you gave financially, through prayer, words of encouragement, or some other form of giving, I want you to know that the results of what I experienced, I share with you. I hope you have caught a burden to pray for the nation of Greece since I have been here and I pray you will continue to do so even after I leave. Everything you have given has not gone to waste and my life is truly changed because of The Lord and your generosity. Thank you for joining me over the past 3 months to **REACH GREECE**.
