Spreading the Gospel to Students Worldwide

New Church in Vienna - ADiPE

We are so excited for a new established work in Vienna, Austria. We have a new French-Speaking church under the leadership of **Pastor Bobo**

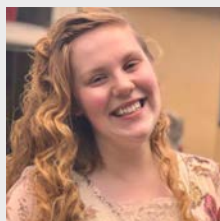

EME Ladies Conference

It was wonderful to be at this year's EME Ladies Conference. Ladies from Austria and Switzerland were able to come together! Thank you **Sis Tuttle** and **Sis Shutes** for a wonderful time of fellowship and incredible-uplifting services!

Vienna's Newest AIMer - Sis Summer

We are so excited that the Lord has brought **Sis Summer Schlottman** to Vienna, Austria to be apart of the work here in Vienna and the COA!

Firstly, thank you to those who covered me with prayer, words of encouragement, cards and many calls before and after my operation; from America and all across the EME region! I cherish everyone who took the time to reach out. Grateful for every sponsor, PIM and to be apart of the incredible EME family of Missionaries and AIMers! It went as well as it could have and my recovery went smoothly. Thank you also to those who made it possible to fly my mom from Florida to Vienna to help me during my recovery!!

GSN - Campus Ministeries Winter Semester

The GSN University Winter Semester is coming to a close for this semester and we praise God for every open door and on-campus Bible Study that the Lord has given us from this pioneering campus ministry work in the GSN. We are still having consistent Bible studies in Krems, Vienna, and Geneva.

We have campus missionaries in the following schools who had either hosted prayer walks, started Bible studies and continue to reach their campuses. I ask that you would lift them up in prayer that the Lord will give the increase on these campuses and that God will bring more Campus Missionaries to these campuses after others have graduated so that the work may continue.

*Bro. Brian - **HTL Ottakring***

*Sis Ebita - **IMC - Krems***

*Sis. Gheed - **Ritz College***

*Sis Mathilda - **Geneva Business College***

*Bro Issac - **University of Salzburg***

*Sis Sarah - **University of Vienna***

*Sis Melanie - **IFK Kunst-University - Linz***

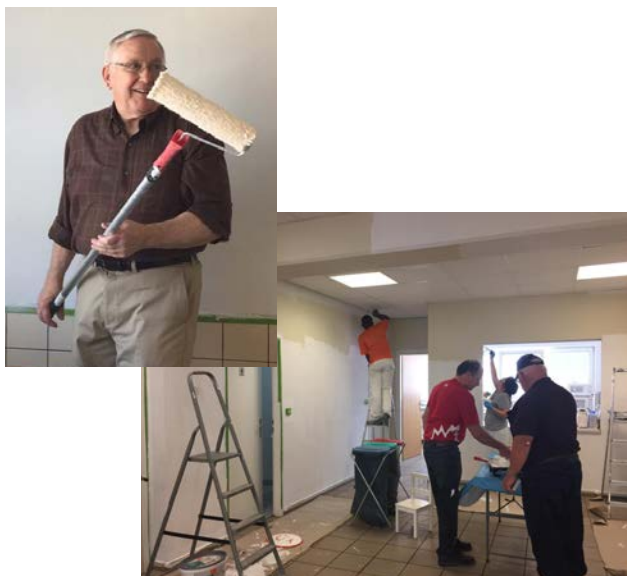

Continue to pray for our campus missionaries that each will have a burden for their schools, the souls around them and to have a spirit of boldness everytime they step onto their campus!!!

General Conference 2019

Incredible Apostolic impartation, encouragement, and moves of God at this year’s General Conference in Speyer, Germany! Many received the Holy Ghost and healed in Jesus name. **Sis Stacey Robinette** hosted an incredible ladies session with guest speaker **Sis Shock**. **Sis Amber Hackenbruch** hosted a Bible Quizzing seminar at General Conference this year. The GSN is truly blessed to have incredible apostolic leaders like **Bro & Sis Robinette!**

COA had an incredible Children’s revival lead by Sunday School leader Sis Joyce!

We are grateful for former-COA Pastors Bro and Sis Kinney as well as Bro Church and his team for making the sacrifice to come from Canada to Vienna to help renovate our entire church! We are incredibly thankful!
