May / June 2019

So much has happened these past couple months, so I'll try to just share a few highlights with you all.

On June 8th, we held our first Fife Pentecost Celebration in Dunfermline. This was actually the first full service in this area, as well, as right now we only hold a weekly Bible study.

*Our FPC Outreach Team from Edinburgh.
Together we blanketed the area with
flyers and prayer.*

We had covered this event completely in prayer, through prayer walks, and prayer and fasting days, and more. Thank you to all who helped us pray from afar; we felt every one of those prayers when the day arrived! The presence of God was incredibly powerful in every single part of the day.

Worship during the evening service.

We were so grateful for the support by church members from Edinburgh, Glasgow, Perth and Harvest Bible College. We started off with breakfast, a devotion shared by HBC student Bro. Baisana, and a time of prayer. 2 guests from the area attended.

That afternoon, we did some singing and outreach in city center, and made some promising connections.

Singing praises in the rain.

The climax of the day was our evening service. HBC students and AIMUKler to Perth, Emi, were a great help with music among other things, and we had a Cardboard Testimony presentation as well. I shared a simple message on "Lines in the Sand" and the Spirit of Christ showed up! We had three guests, including Mormon missionaries who were moved to tears during the service.

We praise Jesus for how he is continuing to move in Dunfermline and Fife.

I have been privileged to take groups from Church of Hope Edinburgh to events throughout the district: Highland Awakening Conference in Elgin, a preview service in Perth, where Sis. Mendez is planting a church, and Ladies in Action Day held in Glasgow.

We have had some wonderful guest speakers in Edinburgh. Bro. and Sis. Isaiah Salomon, evangelists from the United States, blessed us greatly with their ministry, and Bro. Kelley, our Area Coordinator for Northern Europe, ministered to us on Father's Day.

Very special to me personally was the chance to have my parents come visit Scotland for a couple weeks. I took them to a lot of castles and showed off this beautiful country! But they have also been a tremendous blessing here, preaching and pitching right in to help as needed.
