Greetings!!!

We wrapped up a very quick, powerful and productive trip to Belize. We were requested to go and minister during the Stann Creek District Conference on Father's Day. Rev. Keith Phillips, Bro. Clint Murphy and I arrived in country on Saturday, June 15. We ministered in word and prayer on Sunday, June 16 and were back in Houston on Monday, June 17!!! We are happy to report that 27 people received the wonderful gift of the Holy Ghost for the first time during this conference and 14 people claimed they were healed. Some of those healed shared their testimonies and they were truly amazing!

We will have a team of ladies going in September to do conferences in the Toledo District and the Stann Creek District. Sis. Sims and her team are excited to go and minister to the beautiful and anointed ladies of Belize. What a time to be working for the King.

It's our privilege and His Kingdom,
Dewayne and Kristal Sims
