1. When I arrived in Riga on June 3, I was met by two great contacts whom I connected with while helping start a house church in Ventspils a year ago. As soon as I got settled, I spent my first week in Latvia undergoing RBD training with Bro. Havens, Shutes, and Uecker, as well as Sis. Trapani. Our leadership then prayed over us and commissioned us to be sent out into the cities needing works. From the beginning, we witnessed God heal more than 7 AIMers right after our training.
2. We went out with our AIM teams and spent our first-week doing prayer walks, fasting, and growing together. We also made many contacts and were blessed to see God heal Robert's back. I ended this eventful week with an amazing AIM game night with all my fellow brothers and sisters!
3. Our second week began with the Global CMI Seminar. This same week we took our instruments and worshiped in the park through evangelism. We were able to spend some time with our new contacts and were able to meet even more. During the Oneness seminar, I was also able to help with taking care of Missionaries children.
4. At the end of the month, we had a celebration service along with a prayer meeting. We created a youth night as a tactic of evangelism as well as traditional evangelism and were able to connect even more contacts. At the end of the week, we had a prophetic prayer meeting with the AIMers. Currently, we are continuing with the RBD 1B training and planting another church in Riga.
