

AIM to Latvia
Nick Wallace
June 2019

June 1-7, June 4, I arrived in Riga, Latvia and went straight into RBD training. I met Team Ventspils along with the other teams preparing to go out and change their cities for God.

June 9, we were on the bus for Ventspils, I was excited to see the city that was to be my new home for the Summer. We had Sunday services with three church members plus our team.

June 8-14, June 11, we began a three-day fast and prayer-walked different parts of the city to learn the spiritual and physical layout of Ventspils.

We ended the fast with a game night and fellowship with friends from Ventspils. Sunday we were blessed to have the Havens and Sis. Abigail Trapani with us. It was an exciting time with one being filled with the Holy Spirit.

June 15-21, Our third week began in Riga for the first EME Campus Ministries Seminar in Latvia. We returned to Ventspils in time for volleyball, followed by a Baltic baptism. The week ended in Riga with a Oneness Seminar for Latvia and the surrounding countries. At the seminar, God had a Russian pastor speak into my life; it was helpful and needed. It always amazes me the way God works.

June 22-30, Keylee and I headed out into the city on our own for the first time. We prayer-walked and made six contacts. There were a lot of lessons learned through perceived failure or success. "Surprise" birthday parties, baking cakes (translated: doing dishes), fried chicken, Latvian/Mexican food, and language lessons; it was an exciting week in Ventspils. I excited and hopeful for the things God has planned for me and this city!
