Revival in Brazil

The month of May was very busy with traveling for conferences and working in Mairinque. We had several receive the gift of the Holy Ghost this month. Along with several being baptized in Jesus name.

We have had a lot of new people start attending the church here as well. Please join with us in prayer that they will receive the revelation of oneness and Jesus name baptism.

Regional Sunday School Meeting

On May 10th, I along with Sis. Cooper traveled to the city of Mauá, and spoke in their Regional Sunday School Teachers Meeting. It was an honor to be given the opportunity to teach and share in their vision.

Ladies Conference

On May 17th-19th, I along with Sis. Cooper, Sis. Mitchell, and fellow AImer Katie Rhoads traveled to Rio Grande de Sol for their ladies conference. It was an honor to be asked by Pastor and Sis. Daniel Borges to speak in the young ladies session. Along with sharing my testimony and ministering in a general session. We had a mighty move of God in every service. It was such an incredible conference and I am thankful for all God did!

Curitiba Ladies Conference

On May 24th-27th, Sis. Cooper, Sis. Mitchell, and I traveled to Curitiba for their Ladies Conference. We had a wonderful time in the Lord, and I am thankful for all God did for the women who came.

Overall, I am thankful for all God did in the month of May. I am excited to see the growth in our Hyphen group both in number and in their walk with God. It is also exciting to see the growth of knowledge in our English classes. However, the most exciting part has been seeing people receive the revelation of who God is. It is wonderful to see the power of God working in our city. Please continue to pray for revelation and illumination of the word of God.
